

### Elite Sport Bike Luggage System

**Please Read!** Please read and understand these instructions completely before installation to avoid possible injury to yourself, or damage to the accessory or vehicle. Read all **Cautions, Warnings** and **Notes** within installation instructions and on bags. If you are unsure about securing the bag, please contact us at 1-800-558-7755 ext. 123. Monday through Friday 8:00 am - 4:30 pm CST

#### **WARNING**

\*Secure the bag to the vehicle so the bag will not shift during operation. Failure to do so may result in injury or property damage.  
\*Verify that straps do not obstruct exhaust system, turn signals, or tail lamp may result in injury or property damage.

\*Hanging straps may become entangled in the wheel, drive chain or belt resulting in serious personal injury and/or property damage.  
\*Overloading the Tail Bag will result in a high center of gravity causing the bike to become top heavy and susceptible to unexpected tipping during lean-in, while negotiating high speed turns. **MAXIMUM ALLOWABLE LOAD LIMIT IS 10 LBS PER BAG.**

#### 1. PARTS LIST:

This Product contains the following components. Before beginning installation confirm there are no missing or damaged components.

Item #	Description	Qty
1.	Tail Bag	1
2.	Accessory Bag	1
3.	Strap 12" long w/(2) Hooks	4
4.	Strap 29" long w/(2) Hooks	1
5.	Strap 20" long w/(1) Hook	2
6.	Strap 25" long w/(1) Hook	2
7.	Protective Strap Pads	3

#### 2. PREPARATION:

**Note:** This product is supplied with a scratch resistant rubberized bottom layer. Care should be taken to avoid gas spills and a heavy buildup of dust and/or dirt under the bag. Debris may become embedded in the bottom and lead to scratches in the painted finish. Therefore the following preparation should take place before mounting the luggage.

- a. Place motorcycle on a secure stand.
- b. Clean all mounting surfaces on motorcycle and bottom of bag before beginning installation.

#### 3. INSTALLATION:

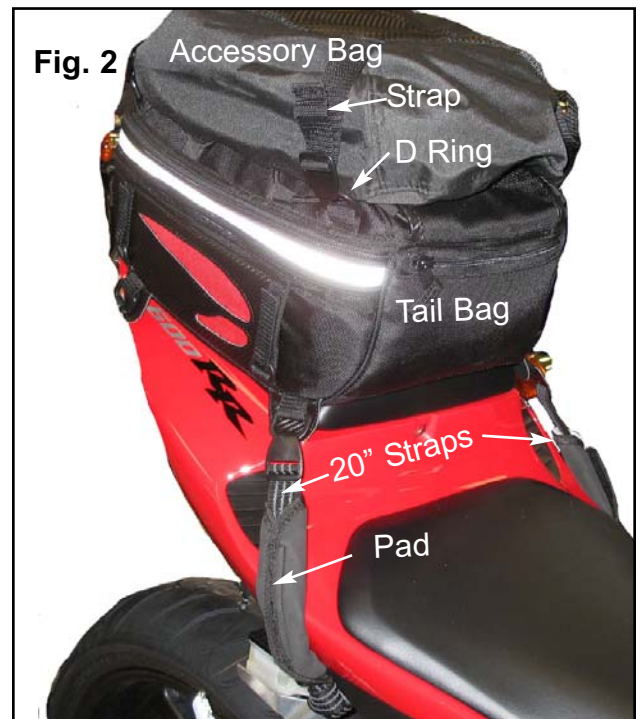

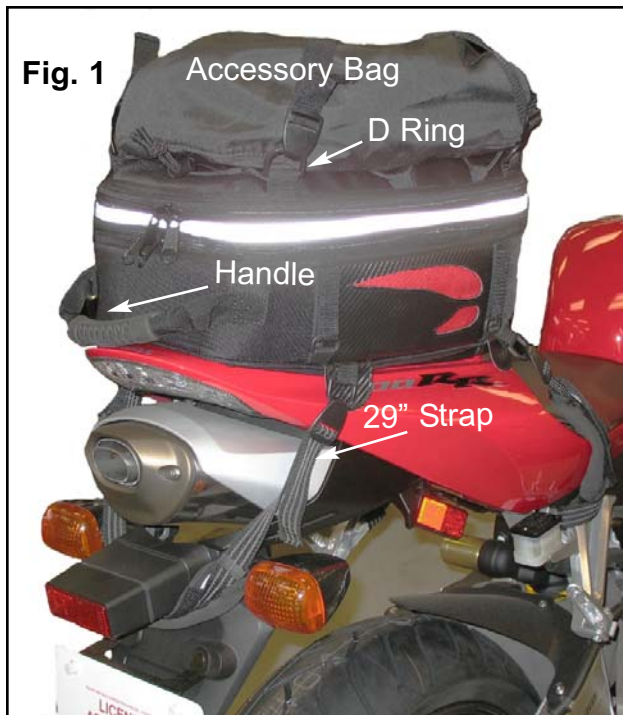

**Note:** This product is supplied with a number of different straps and strap lengths. Below are only a few suggested combinations to securely mount to a motorcycle. You must decide what combination is best for your motorcycle.

## Mounting Tail Bag Only

- a. Place Tail Bag on tail section of bike with carrying handle facing the rear of bike. (Fig. 1)
- b. Locate both 20" long straps w/(1) Hook.
- c. Secure straps to passenger foot peg or suitable fixed frame member on left and right side of bike. (Fig.2)
- d. Connect straps to front D-rings on bag.
- e. Locate 29" long strap w/(2) Hooks.
- f. Install 29" strap around tail section of bike and connect to bag. (Fig. 1)
- g. Adjust straps to create a snug fit on bike.
- h. Insure that bag does not interfere with indicator lights, tail pipe or any moving parts of the motorcycle. If you encounter interference, readjust bag position using adjustable straps.

## Accessory Bag

- a. Accessory bag must be filled prior to installation.
- b. Center Accessory bag on top of Tail bag with zipper facing down.
- c. Connect all Accessory bag straps to D-rings located at the top of the Tail bag.
- d. Adjust all straps to securely position bag in desired location.

## Mounted Tail Bag to Saddlebags

- a. Install saddlebags on bike per instructions included with the saddlebags.
- b. Place Tail bag on tail section of bike with handle toward the rear.
- c. Connect one end of the 12" long straps to the (4) D-rings on the bottom of the Tail bag.
- d. Connect the other end of the front (2) 12" straps to the front D-ring on the saddlebags.
- e. Connect the other end of the back (2) 12" straps to the back D-ring on the saddlebags.
- f. Adjust all straps to securely position bag in desired location.
- g. Insure that all bags do not interfere with indicator lights, exhaust pipes or any moving parts of the motorcycle. If you encounter interference, readjust bag position using adjustable straps.

### **⚠ CAUTION**

Allowing straps to hang loose may cause damage to bags and/or painted finishes on bike.

#### **4. MAINTENANCE:**

Periodically check position of bags. Re-adjust and / or Re-tighten as required.

#### **5. CARE AND CLEANING:**

Wash using mild house hold detergent and soft brush to remove dirt or road grime. Rinse thoroughly and dry before using. Do not put in washer or dryer, dry cleaning is not recommended.
