

Watercraft Cover Installation Instructions

Installation

1. Unpack and locate "Front" label indicating the front of the cover.
2. Position cover over handlebar and control pod. Label to front.
3. Place cover over front of unit.
4. Unfold and place rear of cover over back of unit.
5. Pull elastic cord (located at front side of cover) tight and tie knot to front side of plastic disc.
6. Allow for 3" minimum of elastic cord after knot. Remove excess.

Care & Cleaning

Use mild household detergent and soft brush to remove dirt or road grime. Rinse thoroughly and dry before using.

Note: Although treated with UV inhibitors, the fabric may fade in direct sunlight after continuous use. This is normal wear.
